

May 2008
National Bicycle Month in New Paltz
Rail Trail Buy-a-Bell Initiative

Sponsored by the
New Paltz Bicycle-Pedestrian Committee

As you enjoy cycling the Walkill Valley Rail Trail,
please remember:

1. Always ride at a moderate speed and yield to walkers, joggers, and horseback riders.
2. Slow down and sound your bell when overtaking other trail users and pass only on the left.
3. Be especially careful not to spook or startle horses.
4. Be alert for small children, and be respectful of wildlife and the environment.

NYS Law requires
all bicycles to have a bell.

Yes, we'll sell and install a bell for \$4.00, courtesy of
The Bicycle Rack!
